

Link to Hope Shoebox Appeal 2020 - Items being collected each month

Thank you to everyone who has contributed to the collection for hats, gloves and head scarves. As we go through the year, these items can still be contributed, but we change the focus to other items. February's collection is soap, flannels, toothbrushes and toothpaste. If we aim to fill 50 family and 30 elderly boxes, we need 80 soaps, flannels and tubes of toothpaste, and up to 180 toothbrushes! This is to allow more than one brush to be given in the family boxes. Places such as Home Bargains (there are other places!) do packs of 5 brushes for 89p and also 3 soaps for 49p.

Any other toiletries such as shampoo etc will be collected in June. We are concentrating on collecting as many 'essential items' as possible at the start of the year.

I have about 30 boxes so far, so if you see any 'size 8 mens shoe boxes' please do collect them and pass to me. I have lots of wrapper paper now.

Thank you as always for your contributions.
