Read Hebrews 1. Isaiah 6

- 1 The author uses 7 quotes from the Old Testament Hb 1:vv 4-11. What do these quotes tell us about the authority of the Old Testament? How did Jesus view the Old Testament? How do we ?
- 2.In these 7 OT passages quoted what characteristics or attributes does the author find concerning Jesus to prove He is higher than the angels?
- 3.Can you name some of the angels and their part in God's plan for the World?
- 4.What kind of jobs and roles do you think the angels have in our world today? Have you ever met an angel?
- 5.In what ways is being a human better than being angel? Vice versa?
6. Read Isaiah 6 and spend a few moments praying about worship in God's presence.

Welcome to Immanuel Church – we hope you find a warm welcome here and please stay for coffee or tea afterwards. If you would like to receive prayer, or a home visit, then please speak to one of the leadership team.
